UNDERSTANDING THE DASHBOARD

TOTAL CAPACITY
The total number of tuition places configured for the selected year.

BOOKED SPACES
The number of places already allocated for that year.

SPACES REMAINING
The total availability still open across all service areas.

OVERALL OCCUPANCY
The proportion of total capacity that has already been booked.

Service-area availability cards

Each card shows the exact number of spaces remaining in that tuition area for the selected year. The tracker covers:

11+ - 12+ (CAT4) - Primary Mathematics - GCSE Mathematics - GCSE Statistics - Functional Skills

Availability status key

Status	What it means
Available	Capacity is entered and fewer than 80% of places are booked.
Limited	Between 80% and 99% of places are booked.
Full	No spaces remain for that service area and year.
Not set	Capacity has not yet been entered for that service area and year.

Year-on-year overview

The lower section of the dashboard compares total capacity, bookings, remaining spaces and occupancy across 2026-2030. This makes it easy to compare years without changing the selector.

PLEASE NOTE

The tracker is an availability guide and does not reserve a place. Figures can change as bookings are confirmed. For the latest position, contact Info@mrjamesmathstuition.co.uk
